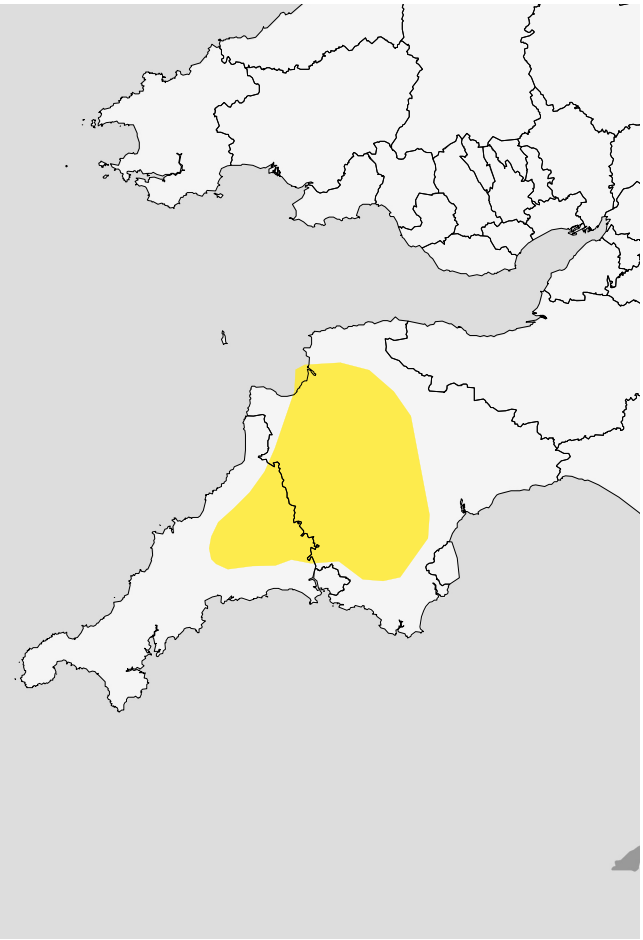
Yellow warning
Rain

Between
12:59 Fri 19 Feb 2021 and
17:00 Sat 20 Feb 2021



Persistent and at times heavy rain may result in flooding and disruption to transport and utilities.

What to expect

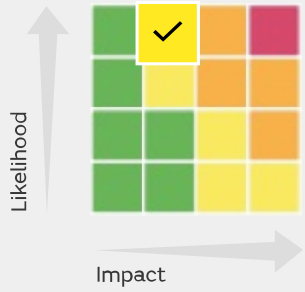
- Flooding of a few homes and businesses is likely
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer
- Some interruption to power supplies and other services likely

Further details

The current band of rain is expected to remain slow moving over southwestern England through today.

Whilst many places will see a spell of heavy rain, high ground of southwest England around Dartmoor and Bodmin moor which are exposed to the south, will likely see the largest rainfall totals.

Here, some 50 - 70 mm of rain is likely, with the most exposed parts of Dartmoor potentially seeing up to 110 mm by the end of Saturday.



✓ High likelihood of low impacts
